FS2 Home Learning Grid Maths- Week Beginning 08.02.21

Monday	Tuesday	Wednesday
Number 10! Watch the online lesson on Tapestry. Can you search around the house to find different groups of 10 objects? Once you have 10 objects can you rearrange them. Can you explore number bonds to 10. Do you still have the same amount of objects? www.bbc.co.uk/iplayer/episode/b08phr1g/numberblocks-series-2-ten	Number bonds to 5 Watch the online lesson on Tapestry and see the extra resources. Have a look at the slides attached on Tapestry to learn more about number bonds to 5! Can you find 5 objects and make 5 in lots of different ways? 3+2=5 Can you write the addition sentences? 	 Money Watch the online lesson on Money on Tapestry. This week it is Chinese New Year. During Chinese New Year celebrations, children are sometimes given envelopes with money inside. With an adult, look at some coins and see if you can see any numbers on them. What numbers can you see? What shape are they? What colour are they? Challenge: Can you order your coins from the smallest amount to biggest amount?
Thursday	**Friday**	**Links:**
Make a Chinese Dragon Watch the online lesson on Tapestry-All about 2D shapes!! Can you use the sheet to cut out the shapes and make your own Chinese dragon? How many corners do the shapes have? How many sides do your shapes have?  	Patterns Watch the online lesson on Tapestry-All about patterns! Look at the slides attached on Tapestry and complete the challenges. https://www.coolmath4kids.com/manipulatives/pattern-blocks Can you make your own pattern using the shapes on this interactive game? Can you solve some of the pattern sheets on the website?	https://www.youtube.com/watch?v=y1oa6o0fMKk A fun number bonds to 5 song! http://www.communication4all.co.uk/Numeracy/Number%20Formation%20Rhyme%20Cards.pdf How to form your numbers. https://wrm-13b48.kxcdn.com/wp-content/uploads/2020/11/Reception-Scheme-Phase-5-Spring-2021.pdf Lots of fun ideas
