

Norton Community Primary School

Breakfast and After-school Club

Food and Drink

Water is available to children at all times.

A balanced breakfast is offered to all children attending the Breakfast Club. The children can choose from a selection of cereals, toast, crumpets, milk and juice. The last breakfast is served at 8.30am.

At the After-school Club we follow a set menu. There is a daily option of a jacket potato.

Sickness

Parents/carers will be informed if their child becomes unwell during the session. Children who are ill cannot attend the clubs and in the event of sickness or diarrhoea must be off for 48 hours after the symptoms have finished.

If your child is receiving medication the school must be in receipt of a medicine administering consent form.

Emergencies

In the event of a serious accident or illness the staff will contact the parent/carer or the nominated contact. Both clubs have a qualified first-aider in attendance and follow procedures set out in the schools' First Aid Policy. Both clubs have risk assessments in place and they also adhere to the schools Fire and Health & Safety Policy.

It is the duty of parents to ensure the school has an up-to-date contact number.

Punctuality and Collection of child/ren

There is an expectation that parents will collect their child/ren from the After-school Club no later than 6pm. In the event of delay please contact the club 01653 692104. Should a parent be late four times in a half term the place will be withdrawn.

Behaviour

The school recognises the importance of positive and effective behaviour management strategies in promoting children's welfare and enjoyment. Whilst attending the Clubs, the children will be expected to abide by the School Behaviour Policy. We reserve the right to withdraw a place in the event of unacceptable behaviour.

Parent Information 2016—2017

The staff and Governing Body of Norton CP School are committed to providing the best possible care and education for every child within the school community. This policy defines the basis on which this care is provided.

Our Aim

Both clubs provide a safe, supervised and stimulating play environment including outdoor play and cultural activities for the children, as well as a reliable childcare service to parents and carers. Children have a chance to relax and enjoy themselves and it gives them an opportunity to develop valuable social skills during the time they are enjoying their breakfast or snack. Children can join in a range of activities at both clubs and at the After-school Club they are able to complete any homework.

The school is committed to Safeguarding and Equal Opportunities and parent/carers are welcome to review the policies in place.
