Dear Parent

We hope you have enjoyed or are looking forward to the inspire workshops; these are a great opportunity to spend some time with your child in school and learn a new skill. Look out for your child's class assembly too.

This term the KIRFS (Key Instant Recall Facts) have changed to a whole school time's table award scheme. The first times table to work on is the 10 times table, please see information in your child's KIRF book.

We continue to be pleased with the effort made with the children's spelling homework; this will continue through the Summer term, it would benefit the children to revisit some of the key spellings to help embed this learning. Please continue to hear our child read at least three times a week.

We are continuing to explore seasonal changes and their associated celebrations. Our topics this term will be 'Up, Up and Away' within this topic we will be learning about famous explorers. In Summer 2 our topic will be 'The Enchanted Forest', we are hoping to organise a forest school activity day within this topic-look out for more information nearer the time. We are also exploring plants in science and Islam and Christianity in RE.

This half term your child will be having P.E. inside and outside so your child will need all indoor/outdoor kit. All P.E. kit **must** be named and stay in school. Our PE days remain on Mondays and Tuesdays.

Your child will continue to visit the library every week. Please remember, books need to be returned each week.

As we move into summer sun safety is important to remember, please ensure any sun hats are named and sun cream is applied prior to arriving at school.

Thank you for all the encouragement you give your children. If you have any concerns regarding your child, please don't hesitate to come and talk to us.

Yours sincerely

Mrs Ralph, Miss Adamson and Miss McColgan
