

FS2 Home Learning Grid Maths- Week Beginning 5.01.21

Monday

Number 5!

Can you search around the house to find different groups of 5 objects?

Can you make a tower of 5 bricks?

How many different ways can you make the number 5? $2+3=5$

<https://www.youtube.com/watch?v=cDjb7BIT9IO>

Tuesday

Find all the vegetables in your fridge.

Can you make your own addition sentences to work out how many vegetables you have?

For example 2 carrots add 3 peas equals 5 pieces of fruit.

Can you write a list of your addition questions?

Wednesday

Talking Together

Have a look and assemble your veggies! What different kinds have you got? Who is going to compete in the race?

Make your own racetrack! This could be a big one outside or a mini race for peas on the table.

Have you got something for a finish line?

Take turns to roll each of your veggies or roll together with a grown up or someone else in your house. Who is the winner?

Let us know the best rollers!

Thursday

Use a stopwatch to time one minute and complete the following challenges.

1 minute timed challenges:

- How many times can you write your name?
- How many star jumps can you do?
- What number can you count up to?
- How many times can you sing a song?
- How many steps can you climb?

Friday

<https://www.topmarks.co.uk/ordering-and-sequencing/shape-patterns>

Can you complete the different train patterns? Can you challenge yourself to complete the next level?

Can you use some objects around the house to make your own patterns?
