

FS2 Home Learning Grid - Week Beginning 11.01.21

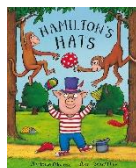

Reading

Hamilton's Hats

Listen to our video (on Tapestry) of us reading this lovely story, can you join in?

Find the work sheet attached and see if you can match the words to their pictures.

Challenge: Can you write your own words and draw the picture to match?

Writing

Design your own hat

Can you design and make your own hat for Hamilton?

Use the sheet attached to draw and label what your hat might look like.

Creative

Make your own hat

Can you use some paper and materials at home to make your own hat?

Use the link below for some top tips on how to make a hat.

Understanding the World

Will it float or sink?

Find 8 objects around your house. Sort your objects into ones that you think might float and ones that you think might sink.

Now it is time to test it out! Fill your bath, sink or a bucket with some water and place your objects in, do they float or sink?

Understanding the World

Exploring your senses

What sounds can you hear in your house or garden? Can you find things in your house or garden that are smooth, rough, bumpy, flat, fluffy, furry, hard?

What can you smell? What does it look like?

Extra ideas!

Get active! Try some yoga for children...
