Can you make a sh sound?</p> <p>Watch the 'Sh sound' video on Tapestry and join in with our rhyme.</p> <p>Have a look round your house and see if you can find anything with a sh in it. I've found a shelf and a dish.</p> 	<p>Yesterday we recapped the sh sound. Today we are going to have a go at reading some words with the sh sound in.</p> <p>Look at the sheet attached labelled 'sh green words'. Use your 'Fred Fingers' to sound them out.</p> <p>Challenge: Can you tell your adult a sentence using one of these words?</p>
