

Extra home learning ideas-25.01.21

- <https://whiterosemaths.com/homelearning/early-years/>
This website has lots of home learning ideas to complete with your child. Click into the different sections for lots of fun ideas.
- Use a piece of chalk to write as many tricky words on the floor outside.
- Use your rainbow words and see if you can write some of the tricky words in different materials such as shaving foam, glitter or flour!
- Can you read some of the signs whilst you are on your daily walk? Use your Phonic skills to help sound out the words.
