

Cut a tab off the paper.

Fold the paper. Cut strips down the paper.

Unfold the paper.

Stick the sides with glue or tape.

Stick on the handle.

Can you make other colours?

This is a picture of what your dragon should look like. Go on Tapestry and see the video of Miss Rodgers making a dragon and a lantern. Have fun!

Dragon Puppet

Print this page. Have the children color the dragon and cut it out. Cut a 3x18" strip on construction paper. Accordion fold the paper. Staple one of the edges to the head and the other to the tail. Tape a straw to the head and a straw to the tail. Have the children manipulate the puppet.
