

The Van-Phonics Bug comprehension questions

Open the Active Learn website and enter your child's log in details (found in the back of your child's reading record).

Select resources from the top menu and click Bug Club Phonics on the drop down menu.

Select Red KS1 books.

Scroll down and select the book 'The Van'.

Please sit with your child as they read the story 'The Van.' Once they have completed the story, please discuss the following questions:

1. What colour is the van?
2. What happens to the van?
3. Why does the van get stuck?
4. What happens at the end of the story?
5. Can you sound out the word jam?

Challenge Time!

Once you have completed the questions, challenge your child to write the title of story. If they have time or would like to challenge themselves further, then perhaps they could add a picture or write a sentence from the story!

If you would like to, you may add your child's completed work to Tapestry. Have fun!
