

Extra Home Learning Ideas - 1.3.21

Suggested daily timetable of activities to complete each day:

Phonics grid activities and Tapestry video lesson	Phonics bug book and some of the guided reading questions	Time for free play and exploring outside	Maths grid activity	Home learning grid activity	2 of the extra activities to complete
---	---	--	---------------------	-----------------------------	---------------------------------------

- Lots of resources and lessons will be added onto Tapestry so please keep checking each day to see what new activities have been added.
- Look on **purple mash** for the 2do's that have been set for this week:
Addition game /Gingerbread man activities
- Can you think about making a mother's day card or a card to someone who is special to you? How will you decorate it? What will you write?
- Have an adventure day- why not have a full day of one theme you might have a pirate day where you make a pirate ship, make a pirate costume and a hat. Watch a pirate movie! Hunt for some pirate treasure! You might even go to space and build a rocket taking some snacks with you and learn all about space.
- Make some letter cards and rearrange the letters to make your own alien words. Complete challenges how many in different times?
- Can you help with the cooking and learn how to cook safely?
- Can you learn to zip up your coat, put on your gloves and wellies independently before you come back to school?
- Can you write a list of why you're excited to come back to school?

Page of picture inspiration!
