

Curriculum Knowledge Organiser

Autumn Term 1

I could know...

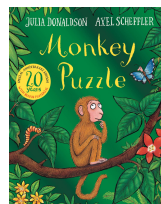

Marvellous Me

What makes me special?

Previous Learning:

When children enter our FS1 we focus on supporting all children to understand the school routine, expectations, build friendships and become confident to approach staff. This topic provides opportunities for staff to get to know all of the children in the class and what makes them special!

Exciting Books:

Implementation - Our Sticky Knowledge Aims:

- I could say what my favourite colour, toy and song is
- I could join in with at least 3 familiar nursery rhymes and songs

Activities you can enjoy at home:

- Sharing your child's favourite stories together
- Practising gross motor skills such as throwing or catching
- Having quiet time together where you discuss your child's favourite areas or experiences at Nursery so far
- Developing fine motor skills and hand to eye coordination by using sensory resources. Squeezing playdough and mark making in shaving foam are great for this!

Key Questions:

What do you like to do in FS1?

What is your favourite song?

Key Words: Friend Family Special
