

Curriculum Knowledge Organiser

## Autumn Term 1

*I could know...*

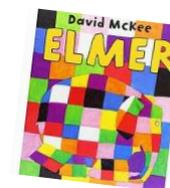

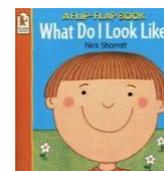

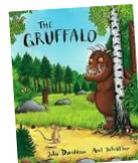

## All About Me

*What makes me special?*

### Previous Learning:

In your setting prior to FS2, you will have made many new friends and begun to learn lots about them and their family. You should now also be able to tell an adult or peer about some of your preferences such as your favourite colour and food; we will expand on this skill more this term. If you were in FS1 prior to FS2, you will already know and follow our EYFS Bee Rules.

### Exciting Books:

### Implementation - Our Sticky Knowledge Aims:

- I could name 3 things that I like to do.
- I could recognise 10 set 1 sounds.
- I could name something that is different about my friend.

### Activities you can enjoy at home:

- Sharing your child's favourite stories together
- Practicing gross motor skills such as throwing or catching
- Having quiet time together where you discuss your child's favourite areas or experiences at school so far
- Drawing a family portrait together - identifying how we all look different!
- Model being kind and following the bee rules at home too.

### Key Questions:

What do you like to do in FS2?  
What is your favourite song?  
Who is your friend? Why?

**Key Words:** different special explore
