

FS1 Summer Term 2

Our Journey...

Intent: This half term, we become explorers and begin to look past Norton to different places around the world and beyond! We aim to show the children that the world is a very big place, filled with exciting animals, people, cultures, landmarks, and wonder!

The children have decided that some of the places they would like to adventure are - the seaside, the jungle, space, the Arctic, forests and (in preparation for next year) FS2! We will also learn about different modes of transport.

Implementation ~ Our Sticky Knowledge Aims:

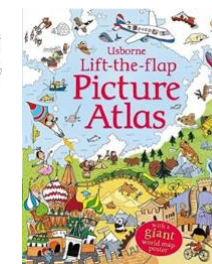

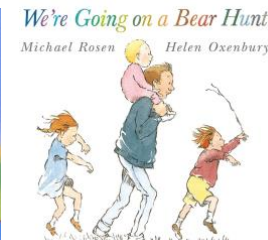

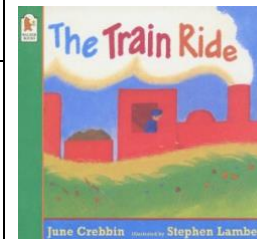

Key information children will learn

- ❖ What exciting things you might discover in a forest, on the beach, in the arctic, in space,
- ❖ Different modes of transport and what they look like
- ❖ That the world is a very big, exciting place!
- ❖ That FS2 is a friendly, exciting, and wonderful place to be!
- ❖ About some different cultures and traditions

Subject Specific Vocabulary we will use:

Adventure	If someone has an adventure, they become involved in an unusual and exciting journey
Journey	When you make a journey, you travel from one place to another.
Discover	If you discover something that you did not know about before, you become aware of it or learn of it.

Some of our Exciting Books:

Explore

If you explore a place, you travel around it to find out what it is like.

Support available for children:

- Teachers will continue to observe and play with children to meet their next steps and continue to practice key skills in preparation for FS2.
- All children's Communication & Language skills will continue to be assessed using our WellComm screening baseline.
- There are lots of activities to promote fine and gross motor development. We are also now practising letter formation and writing our name accurately.
- Miss Box will discuss with parents if she has any concerns about their child's learning and development.
- To work closely alongside each child to develop their independence in preparation for September.

Additionally we will be:

- Continuing to learn how to use a tripod grip, particularly when name writing
- Continuing to sound out and blend CVC (consonant, vowel, consonant) words, such as 'c-a-t...cat' in Phonics
- Introducing RWI, set one sounds
- Beginning to look at, create and solve simple, practical number problems
- Mark making for lots of different purposes, in lots of different contexts
- Lots of rhyming practice
- Talking about, naming and describing 2D and 3D shapes
- Learning about good oral health!

Children will Experience and Explore:

- ❖ We will be looking at atlases and maps
- ❖ We will be role playing, re-telling stories and using the puppet theatre
- ❖ We will have lots of exciting small worlds to play with
- ❖ We will explore the concepts of space and what you would find in space.
- ❖ It will be exciting to visit our new FS2 classrooms and we will discuss and practise this special transition.
- ❖ We also have our Sports Day which we are practising for.
