

Norton Primary's Fundraising

Pledges

At Norton Primary we are committed to giving every child the best start to their learning journey. We believe that exciting and enriching experiences are a key part of supporting a child's wellbeing and cultural capital development.

Each year we aim to have fun and inclusive fundraising events for the school.

All the proceeds from these will then be used to fund experiences for the children.

Norton Primary's
Enrichment

Experiences

*Animal
Handling*

*Hands on
Learning*

*Visitors into
School*

*Go to see a
Pantomime*

*Watch a
play*

*Sports
Workshop*

Experiences Yearly Plan

These are the current activities we want every child to experience by the end of their time at Norton. They are reviewed to meet each cohort's needs.

Year 6

Leaver's Picnic

A chance to celebrate all their achievements by spending time together and having lots of tasty treats!

Year 5

Observe eggs hatching and care for chicks

This will reinforce their learning about Life Cycles but the children will also need to work together to care for the chicks. A great opportunity to develop their team work and sense of responsibility

Den & Satellite

This will adapt to children's needs each year. This year the children will be provided with a trampoline for sensory regulation and lots of fun!

Experiences Yearly Plan

Year 4

Go to see a Pantomime

A wonderful opportunity to visit a theatre and experience the festive fun of a Pantomime!

From December 2026

Year 3

Sports Workshop

This workshop will teach children new playground games and practise new skills. The children will then use these skills the following year as Play Leaders at Play Times. They will be fantastic role models for younger children in school.

Year 2

Animal Handling

A chance to learn about a range of animals which will support their learning in Science. Also, handling animals can also be extremely calming and a great way for the children to work together as a team to create a calm environment for the animals.

Experiences Yearly Plan

2025-2026

This academic year there were a few activities that were not available for Summer Term. So the activities below will be in place for 2025. We know the children will enjoy them!

Year 4

As Pantomimes are seasonal and only available in Winter; the Year 4 trip will begin from next academic year. This year the Year 4s will have a surprise treat on their transition days at Langton Road!

Year 1 & EYFS

Teddy Bear's Picnic

As the companies used for activities below did not have availability for Summer Term, Year 1 and EYFS will have a Teddy Bear's Picnic! A chance to share their favourite toys, play games and enjoy tasty treats

Experiences Yearly Plan

2026-2027

This academic year the following activities will be in place

Year 1

Dinosaur Fossil Dig

This year this will include Year 1 and Year 2. An interactive, educational workshop that includes opportunities for hands-on experience with real dinosaur relics and fossils

FS1 and FS2

Watch a Play

The opportunity to watch an interactive and immersive theatre production which will captivate and delight our EYFS children! They will be taken on adventure they will never forget combining drama, storytelling, Makaton and bucketloads of fun!
